

# Transfer Shares Electronically

---

**It is very important** to contact us at [stock@cru.org](mailto:stock@cru.org) when the transfer has been completed, or call us toll free at 1-888-CRUSADE (1-888-278-7233).

*We will need to know the number of shares, the name of the security, the purpose of the gift, and your name and address.* We need this information to properly acknowledge your gift because an electronic transfer of shares does not include a notification of who the shares are from.

Instruct your broker to transfer your shares from your account to Cru. Sample Transfer Instruction Letter.
